

The Fever's Jazz Repertoire

*Turn up the heat... **Get The Fever!***

Here is a just a sampler of the jazz tunes the musicians know and can play. In addition to the songs listed here, our pro jazz musicians read out of a book known by jazz players as the "Real Book," or "the Book." If you have specific songs in mind, ask us- we likely know them.

Don't see a song listed that you'd like us to play? Check our full repertoire list, and we're happy to learn a song or two especially for your event.
